

CENTRALIZED direction and coordination of ADP practices
Approved For Release 2004/05/05 : CIA-RDP85B00803R000200070008-8

From Kermit Gordon, Director, BOB

BOB Circular No. A-61 to heads of Exec Depts and Establishments dated 3 August 1963, directed appraisal of agency practices to include a determination that (1) major decisions involving the use of ADP equipment receive the active consideration of agency top management, and (2) there is provision for centralized direction and coordination of agencywide ADP activities.
